ABOUT

As a Quality Assurance Associate at BEEJAPURI DAIRY PRIVATE LIMITED (COUNTRY DELIGHT), I ensure the quality and safety of the products by conducting various tests and analyses on the raw materials, finished goods, packaging materials, RO and boiler.

I have an Executive MBA in Logistics, Materials, and Supply Chain Management from Indian Institute of Management Rohtak, where I learned the concepts and skills related to planning, sourcing, delivering, and managing the resources and processes involved in the production and distribution of goods and services. I have also completed courses on food and nutrition from Stanford University and the University of Copenhagen, where I gained knowledge and insights on the health and environmental impacts of food choices and habits. I have a special interest in multistage and organic farming, quality food, nutraceutical products, and personalized nutrition, and I aspire to contribute to the development and innovation of the food industry with my skills such as *FSMS, QMS, HACCP, GAP, GMP, GLP, 6S, GHP, KAIZEN, NFPD, TPM, TQM, SAP, SCLM, OPERATION, MODIFICATION, LAYOUT & PROJECT COMPLIANCES (PROCESS DESIGNING, PLANNING, WAREHOUSING, LABORATORY)*
