WORK EXPERIENCE

RK IND EXPORT PRO
LTD (FARM ORGANICS)
JODHPUR, RAJASTHAN
Aug 2021 - Present

GENERAL MANAGER OPERATIONS

- I lead the planning and launch of organic farming projects, working with small farmers to grow herbs, grains, and aromatic plants, and managed international exports, resulting in successful organic certification.
- Oversaw the procurement and acquisition of certified organic produce from both internal and external organic farming initiatives..
- I handled the design and buying of all sorts of retail packaging—cartons, bottles, cans, the works—and smoothly managed all the international shipments.
- Managed the development of processing and packaging facilities for agro commodities and spices, encompassing retail and Ayurvedic product lines, including teas, herbal capsules, and fruit products.
- I proactively communicated with domestic and international clients to promote product sales.
- I handled everything to do with getting finished products from the factory to the ports, working with the GM supply chain team. This included getting goods to export logistics, picking customs agents and freight forwarders, and negotiating with export agents.
- Acted as the company's representative in interactions with government agencies to Smooth the operations.
- Successfully obtained and consistently maintained all necessary government authorizations, including manufacturing licenses, Pollution Control Board approvals, and Ayurveda licenses, thereby ensuring ongoing regulatory compliance.
- Possesses extensive experience in strategic planning and coordination to achieve system and product certifications, including Organic, HACCP, GMP, ISO 9001:2008, Kosher, and Fair Trade.
- Cultivated and maintained a high-performing team, fostering a collaborative and highly productive work environment.
- We maintain compliance with FSMS, food safety policies, third-party audits, HACCP, ISO 22000, AIB, and ISO 14001 guidelines.
- Annual production planning, inventory management, budgeting, and final supply chain approval are my responsibilities.
- Optimizing customer service delivery and administrative procedures. Collaborating with vendors.
- Business development, productivity enhancement, service optimization, sustainable practices, and objective
