CAREER OBJECTIVE

Energetic, ambitious, and proactive individual with relevant experience in the food industry, particularly in spices and herbs. Seeking a challenging opportunity to apply and expand my knowledge and skills while contributing to organizational success and gaining deeper practical insights and expertise.

WORK EXPERIENCE

Currently working in **Windson Organics Private Limited** as **Quality Officer** from Dec -2023.

Work includes: -

- Prepared and maintained quality documentation from raw materials to finished goods, including test records and inspection reports.
- Conducted quality tests on food ingredients (spices and herbs) to ensure product safety and consistency.
- Analyzed quality data and implemented corrective actions to maintain quality standards.
- Supported customized seasoning formulation and development.
- Verified artwork and label accuracy for retail packaging under private labelling.
- Planned and scheduled bulk and retail packing operations while maintaining hygiene standards.
- Identified dispatch inefficiencies and implemented process improvements.
- Assessed packaging material types and formats based on client specifications.
- Created detailed packing lists for both bulk and retail shipments.
