Training

NINO Foods

Internship

QUALITY AUDIT INTERN

Jul 2023 - Aug 2023

- Assisted the quality assurance team in conducting regular audits of food production processes, ensuring compliance with safety and hygiene protocols.
- Collaborated with chefs, kitchen staff, and delivery personnel to maintain consistent quality standards and resolve any quality-related concerns.
- Participated in the implementation of HACCP-based food safety measures, contributing to the reduction of potential hazards.
- Utilized data analysis tools to monitor key performance indicators (KPIs) and identified areas for process improvement, resulting in a 15 reduction in product defects.
- Prepared detailed audit reports, outlining findings and recommendations, and presented them to the management team during weekly meetings.
- Contributed to the development of training materials for staff members, enhancing their understanding of food safety practices and quality expectations.

Sir Shadilal Distillery and Chemical Works (a unit of SVP Industries)

Internship

TRAINEE

Jan 2023

- Worked in Quality Control and Microbial Analysis Department under the manufacturing of Liquor

Farm to Fork Solutions (Fostac)

Certification

TRAINING - LEVEL 2

Dec 2022

- Interpreting the requirements of “FOSTAC-Advance Manufacturing” with examples and case studies for better understanding.
- Gathered knowledge on the importance of food safety for all FBO as per the guidance manual of FSSAI for manufacturing.

Farm to Fork Solutions (Fostac)

Certification

TRAINING - LEVEL 1

Feb 2022

- Training in Manufacturing and COVID-Food Safety Supervisor.
- Understanding of Street Food Vending, Catering, Manufacturing, Storage and Transport and Retail and Distribution..

Research Work

Market acceptability of Probiotic Products

SNDT University - Pune, India

MS. PRITHVI KULKARNI

Feb 2023 – May 2023

- This study examines the probiotic products and assess the potential for probiotic foods in our country.
