EDUCATION

Masters in Microbiology

Mumbai University | 2021-2023

Bachelors in Microbiology

Mumbai University | 2018-2021

ABOUT ME

I COMPLETED MY M.SC. IN MICROBIOLOGY FROM MUMBAI UNIVERSITY. I AM AN ORGANISED PERSON WHO IS ALWAYS KEEN ON UNDERSTANDING THE DIFFERENT PARTS OF MICROBIOLOGY. I'M SEARCHING FOR EMPLOYMENT SO THAT I CAN BEGIN A CAREER IN THE INTRIGUING SCIENCE OF MICROBIOLOGY.

EDUCATIONAL QUALIFICATIONS

Masters in Microbiology:- CGPA score of 8.59

Bachelors in Microbiology:- CGPA score of 8.02

HSC result:- 66.77%

SSC result:-86.00%

Practical skills:-Culturing Technique, Aseptic Technique, Characterization, GLP.

Instruments handled:- Autoclave, Oven, Colorimeter, pH meter, Centrifuge

Achievements

- Participation certificate in Intramural UTSAV-2019 event organised by Nature club (D.C) by Sathaye College
- Participation certificate in Intramural Science Exhibition UTSAV-2018 event organised by Science association by Sathaye College
- Participation Certificate in two days awareness programme on FSMS: Auditing System & Process by OneCert International Pvt.Ltd
- Worked as a part of organizing committee for Gravity 2018 held at Sathaye College
- Presented my research paper at the RUSA Sponsored CONFAB'23 Multidisciplinary conference at Patkar-Varde College.
- Participation certificate in Developing Skills in the Digital Era – Stay Skilled Stay Competent
- Participation certificate in "SCOPE OF CLINICAL RESEARCH AND ASSOCIATED DOMAINS" organized by PRES's, College of Pharmacy
- Successfully completed the COVID-19 awareness quiz and programme organised by the mathematics department of Manyavar Kanshiram Government Degree College
- Participation certificate in the National Webinar on "Ways to maintain Healthy lifestyle in COVID-19 pandemic with Traditional medicine" organized by the Health club and ECO club of Annammal College of Education for Women, Thoothukudi
- Participation certificate in webinar programme on COVID-19 PHYSIOLOGICAL AND PSYCHOLOGICAL STRESS MANAGEMENT by Presidency College
- Participation certificate in International webinar on challenges of discovery of novel drug by Dapoli education society.
- Successfully completed the online quiz on Fermented Food & Dairy Products
- Participation certificate in for active participation in the talk on Water Microbiology by EcoR Foundation
- Participation Certificate in the webinar titled Nanotechnology Approaches for Covid-19 challenges

- Participation certificate in International webinar on challenges of discovery of novel drug by Dapoli education society.
- Successfully completed the online quiz on Fermented Food & Dairy Products
- Participation certificate in for active participation in the talk on Water Microbiology by EcoR Foundation
- Participation Certificate in the webinar titled Nanotechnology Approaches for Covid-19 challenges

Certifications

Completed the Introduction to Proteomics course offered by NPTEL, Swayam successfully, earning a 60% grade.

Completed the Human Molecular Genetics course offered by NPTEL, Swayam successfully, earning a 53% grade.

Secured first rank in the Inter-Collegiate Nanotechnology Sci-Event competition organised by MICROFIESTA by Sathaye College

Certificate of Publication in the JETIR journal titled Extracellular production and microbial identification of bromelain enzyme from pineapple (Ananas Comosus)

Publications

Published my research paper titled Extracellular production and microbial identification of bromelain enzyme from pineapple (Ananas Comosus)

Journal of Emerging Technologies and Innovative Research ISSN Number: 2349-5162 Vol.10, Issue 6, page no.77-83 ' Jun 13, 2023
