Ph.D., M.Tech., B.Tech. (Food Technology)

Department of Food Technology and Nutrition,
Lovely Professional University,
Phagwara, Punjab, India. Pin:144411.

OBJECTIVE

I aspire to contribute my expertise in food science and agriculture to both industry and academia, leveraging my research background to enhance food safety, quality, storage, preservation, packaging, processing, and distribution practices. By integrating my resourcefulness and skills, I aim to drive innovation and growth within the organization while making meaningful contributions to the broader field of food science and agriculture.

I. PROFILE

- Expertise in, functional foods and nutraceuticals, fruits and vegetables technology, dairy technology, bakery and confectionary technology, which includes complete research and development, manufacturing and processing technologies required for the development in the field of food technology and food engineering.
- Expertise in, data analysis through using various statistical tools and software including MS Office, SPSS, Desing Experts, and MiniTab.
- Thorough understanding of all aspects of production activities in manufacturing units with updated knowledge of the latest technological advancements, regulations/guidelines, and statutory compliances in the industry.
- Excellent communication and interpersonal skills with well-developed team interaction and management skills.

II. EDUCATIONAL QUALIFICATIONS

Doctor of Philosophy (Ph.D.)

Name of the Institution : Lovely Professional University, Phagwara, Punjab Pin: 144411
Major : Doctor of Philosophy
Degree : Food Science and Technology
Month/Year of Passing : 2020-2025 (Thesis Submitted)
Class %/CGPA : 8.00 CGPA

Postgraduate Studies

Name of the Institution : Faculty of Engineering and Technology, Bangalore, Karnataka (India) Pin: 562112
University : Jain (Deemed-to-be) University
Major : Master of technology
Degree : Food technology
Month/Year of Passing : 2018-2020
Class %/CGPA : 8.19 CGPA
Electives Opted : Food packaging Technology, Functional food and nutraceuticals, Fruits and vegetables technology, Cereals and Baking technology.

Undergraduate Studies

Name of the Institution : Shramshakti College of Food Technology, Maldad
University : Mahatma phule krishi vidyapith, Rahuri, Dist. Ahmednagar, Maharashtra, (India) Pin: 413722
Major : Bachelor of technology
Degree : Food technology
Month/Year of Passing : June, 2018
Class %/CGPA : 7.25

Higher Secondary Schooling

Name of the College : Nutan Junior College, Rajapur
Board : Pune Divisional Board
Major : H.S.C
Month/Year of Passing : May, 2014
Class % : 52.62

Pre-University College

Name of the College : Nutan Madhyamik Vidyalaya, Rajapur, Sangamner. Pin: 422605
Board : Pune Divisional Board
Major : S.S.C
Month/Year of Passing : 2012

Class % : 70.00

III. INDUSTRIAL INTERNSHIPS

Name of the Organization : **General Mills India Private Limited**
Company Profile : Manufacturing of Cake Mixes, Wraps, Cookie Cake, Paratha, Choco Lava Cake.
Experience : 4 months
Designation : Production & Manufacturing (Trainee)
From Date : December, 2017
To Date : April, 2018
Name of the Organization : **NutriParadise Foods LLP**
Company Profile : Manufacturing of Functional Foods
Experience : 4 months
Designation : Research and Development
From Date : August, 2019
To Date : November, 2019

IV. TRAININGS AND WORKSHOPS

1. Participated in workshop cum hands-on-training on "National Workshop on X-ray Diffraction and Particle Size Analyzer" jointly organized by the Central Instrumentation Facility (CIF), Research and Development Cell in collaboration with Human Resource and Development Centre (HRDC), LPU, Phagwara, Punjab. April, 2024.
2. Participated in workshop cum hands-on-training on "Food Analysis" jointly organized by the Division of Human Resource Development Center, LPU, Phagwara, Punjab. March, 2024
3. Participated in workshop cum hands-on-training on "Creating Healthy World Through Agriculture Base, Balanced Diet" jointly organized by the Division of Biochemistry, ICAR-IARI and Society for Plant Biochemistry and Biotechnology, New Delhi. September, 2021.
4. Professional Course in "AUTOCAD" From Swami Design Solution Pvt. Ltd., Bangalore-560079 organized by Faculty of Engineering and Technology, Jain (Deemed-to-be) University, 2019.
5. Participated in a workshop on Nutrition security for planetary health, Bangalore (Organized by Dr. Babu Rajendra Prasad International Convention Center), 2019.
6. Internal Auditor Training in ISO 22000-2005(Food Safety and Management System) and HACCP Implementation held at Shramshakti College of Food Technology, Sangamner, Maharashtra, 2018

V. CERTIFICATIONS

1. Participated in Government of Maharashtra Drawing Grade Examination Elementary appeared with Grade-C, 2008
2. Participated in Government of Maharashtra Drawing Grade Examination Intermediate appeared with Grade-C, 2009

VI. NATIONAL AND INTERNATIONAL CONFERENCES/ SEMINARS

1. Participated and Oral/Poster Presentation on "Nutritional and biochemical characterization of selected microgreens are grown in two different growing mediums" in GLOBAL INDIAN YOUNG SCIENTISTS RESEARCH AND INNOVATION CONFERENCE 2023, National Agricultural Science Complex – ICAR, New Delhi, 2023.
2. Participated and Oral Presentation on "Effect of Growing Medium on Nutritional and Bioactive Composition of Selected Microgreens" at International Conference on GLOBAL TRADITIONAL FOODS SUMMIT 2023, FET, Jain Demeed to be University Bangalore, 2023.
3. Participated and Oral Presentation on the "Effect of Different Growing Medium on Physical and Biochemical Parameters of Selected Varieties of Microgreens" in International Conference on Recent Trends in Smart & Sustainable Agriculture for Food Security (SSAFS-2022), School of Agriculture, Lovely Professional University, Punjab, 2022.
4. Participated and Oral Presentation on "Evaluating the Physical Properties of Various wheat grains samples" in JNANA CHILUME National Conference on Technical and Socio-Economic Transformations of Robotics and Automations in Food Technology and Chemical Sciences, FET, Jain Demeed to be University Bangalore, 2020.
5. Participated and Oral Presentation on "Effect of ultrasound treatment and pasteurization on organoleptic and physiochemical properties of therapeutic wheat grass juice" at "International conference on biotechnological advances in medical plants and natural products" in Garden City University, Bangalore 2019.
6. Participated in National conference on "Emerging multi-disciplinary trends in biotechnology & engineering a future perspectives" in AICTE, Bangalore 2019.
7. Participated and Oral Presentation on "Emerging Novel Food Processing Technology: Pulsed Light Technology in Food Packaging" in JNANA CHILUME National Conference on Emerging Trends in Food Technology and Advance Chemistry, FET, Jain Demeed to be University Bangalore, 2019.
8. Participated and Poster Presentation on "Emerging Novel Food Processing Technology: Pulsed Light Technology" at International Conference on Emerging Scenario in Agribusiness, IIPM, Bangalore, 2019.
9. Participated in 8th International Food Convention: Holistic Approaches for Start-ups, Human Resource Training for Agriculture and Food Industry Gemmation (HASHTAG), CSIR-CFTRI, Mysore (Organized by AMSTI).2018.
