CORE COMPETENCIES :

Product Innovation & Development | Vendor & Stakeholder Management | Quality Assurance & Compliance | Market & Consumer Benchmarking | Cost Optimization Strategies | Team Collaboration & Agile Planning

PROFESSIONAL EXPERIENCE :

Senso Foods | NPD & Quality | June 2024 – Present

- Retransformed legacy product lines (tea, coffee, hot chocolate, iced tea) with a future-facing lens.
- Created 15+ functional and lifestyle beverages from vegan, jaggery, and matcha teas to adaptogenic coffees (Ashwagandha, Shilajit, Mushroom) and wellness blends (sleep aid, collagen, stamina, diabetic detox, seabuckthorn, UV protection).
- Drove client acquisition and conversions through hands-on R&D demos and delivery ownership, closed 40% of inbound leads in under a year.
- Elevated Senso's product standards beyond market norms through clean-label innovation, trend spotting, and agile execution.

Tagz Foods | NPD, Quality, Production | April 2023 – June 2024

- Owned RM/PM procurement strategy to enable lean, cost-efficient production.
- Spearheaded launch of new-age SKUs: Hashpuffs, Bhujiyas, and Wheel Fryums, contributing to an average of 43% of total revenue through smart positioning and market-fit innovation.
- Optimized vendor ecosystem to cut sourcing costs and improve supply agility.
- Co-led finalization of regulatory, packaging, and labeling elements to fast-track GTM across SKUs.

SV Agri Processing Pvt. Ltd. | R&D | Sep 2022 – Nov 2022

- Developed and standardized formulations for pressed peanuts, popped chips, caramel corn, and other snack formats.
- Led texture, coating, and shelf-life trials to ensure product consistency, stability, and scale-up readiness.
- Built lab-to-pilot-ready prototypes aligned with quality benchmarks and manufacturing feasibility.

Project Intern | Agrivision4U | Aug 2022

- Research & development project focused on food tech innovations.

Weikfield Foods Pvt. Ltd. | Quality Control | Dec 2021 – Mar 2022

- Conducted in-process quality control audits and maintained end-to-end production traceability documentation.
- Gained deep exposure to factory operations, interdepartmental workflows, and process dependencies.
- Supported production oversight and quality assurance to align with regulatory and internal standards

Experimental Learning Program | MGM College | Sep 2021

- Formulated Ragi muffins; conducted trials, testing, and paper publication.

Foodtech Society (Marketing Intern) | Oct 2020 – Dec 2020

- Drove digital campaign content and marketing strategy for food science awareness.

EDUCATION :

B.Tech – Food Technology

MGM College of Food Tech | 2018 – 2022

12th (HSC) – Rashtramata College, Jalna | 2018

10th (SSC) – St. Mary's High School, Jalna | 2016

CERTIFICATIONS :

- Six Sigma Yellow Belt – LinkedIn Learning
- HACCP & ISO 22000:2018 (Internal Auditor)
- FoSTaC L1 & COVID Food Safety Supervisor
- ISO 9001:2015 (TUV Nord)

KEY PROJECTS AND RESEARCH :

- Ragi Muffins: Researched formulation & quality parameters, published findings.
- Community Nutrition & Food Safety
- Shelf-life and Quality Benchmarking Studies (internal product trials)

SUMMARY :

A builder at heart, I mix food science with market intuition to develop scalable products that matter. With an entrepreneurial mindset and cross-functional experience, I aim to take leadership roles in food innovation, product strategy, and brand creation.
