Objective

A highly motivated and dedicated B.Tech student in Food Technology seeking an internship or entry-level position in the food industry to apply my academic knowledge and gain practical experience in food processing, quality control, and product development.

Experience

- Fare Labs Private Limited NABL Laboratory** 11/12/2024 - 11/06/2025
Food Testing Intern
Perform chemical, and nutritional analysis of food samples. Ensure food products comply with safety and regulatory standards (FSSAI, BIS, etc.). Document and interpret test results accurately.
- Vita plant Rohtak** 01/07/2023 - 31/07/2023
Industrial Internship
 - My 4-week internship at Vita plant Rohtak was an eye-opening experience that deepened my understanding of milk processing, quality control, and safety measures in the dairy industry. It reinforced my commitment to food safety and quality standards. I have gained practical skills and knowledge that will be invaluable in my future academic and professional endeavors within the food and dairy sectors. I look forward to applying what I've learned to contribute to the field of dairy production
- Shanti Institute For Testing & Research Hisar NABL Accredited Laboratory Hisar** 11/07/2022 - 11/08/2022
Food Adulteration Intern
 - Sample Collection: I was responsible for collecting food samples from diverse sources, paying close attention to the handling and transportation of these samples to maintain their integrity throughout the process.
 - Quality Control and Compliance: I assisted in the assessment of food products for compliance with industry standards and regulations. This included evaluating products for adulteration, ensuring proper labeling, and verifying ingredient lists.

Education

- Guru Jambheshwar science and technology University** 2020-24
B.Tech (Food Technology)
5.83 CGPA(8th sem)
- HBSE** 2020
12th
Percentage - 67.8%
- HBSE** 2016
10th
Percentage - 85.2%

Skills

- Knowledge of food processing techniques and technologies
- Laboratory skills in food analysis and microbiology
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint)
