## Professional Synopsis

- ❖ Food Technologist with 3+ years of experience in developing clean-label, functional food products. Skilled in ingredient functionality, formulation, and process optimization for enhanced taste, texture, and stability. Hands-on expertise in end-to-end product development, sensory analysis, shelf-life studies, and functional ingredient integration. Familiar with FSSAI, FDA, HACCP, and GMP regulations. Experienced in extrusion, thermal processing, and food preservation. Strong in cross-functional collaboration and translating market insights into innovative, health-focused solutions.

|                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
