EXPERIENCE

ONLINE QA EXECUTIVE,

GOELD FROZEN FOODS (SHREE BAJRANG

ALLIANCE LTD), RAIPUR, C.G.

SEP 2023-PRESENT

Roles and Responsibilities:

- Overseeing quality assurance procedures in an online capacity.
- Experienced in various aspects of production, packaging, and maintaining quality standards.
- Active involvement in ensuring product quality across different stages of production and packaging processes.

PROJECT

In-Hand Training

(17/01/23-31/05/23)

[College of Dairy Science & Food Technology,
Raipur, Chhattisgarh]

- During the In-Hand training, my team & I named our company "Mitan Dairy Products," & our brand name was "Tript." We selected **Rabri Lassi** as our product, which consists of lassi topped with rabri & served in a kulhad.
- Assisted in various aspects of dairy production, including raw material handling, pasteurization, packaging, and quality control.

INTERNSHIP

The Doaba Coop. Milk Producer Union Ltd.

Verka, Jalandhar, Punjab

(25/07/2022–15/12/2022)

Here, I am given the opportunity to put what we learned into practice, which has really improved my abilities as a dairy technician. I received my training at Verka in the following department:

Production, procurement, quality assurance, engineering, marketing, and management.

- Received comprehensive training in dairy product development and formulation.
- Worked closely with senior technologists to develop new dairy products with specific nutritional profiles and sensory characteristics.
- Assisted in pilot-scale production and conducted quality assessments to ensure product consistency and compliance with regulations.
- Participated in process optimization projects to improve efficiency and reduce waste.

CASE STUDY: FONTERRA RECALL 2013

- Researched and analyzed the Fonterra recall incident of 2013, assessing its impact on the dairy industry and consumer trust.
- Conducted in-depth interviews and surveys to gather primary data and insights into consumer perceptions and behaviors.
- Presented findings and recommendations in a detailed report, demonstrating strong research and analytical skills.

RESEARCH EXPERIENCE

- Conducted research on the Market of Traditional Indian Milk Products and Sweets in Chhattisgarh.
- Collaborated with a team to produce a new dairy product like **LICHI MOON MILK & RABRI LASSI**.
- In my final year me and my team made Business plan on Startup of small milk product plant.

CERTIFICATIONS & SKILLS

- **FSSC 22000 Version 6.0 Training Course** certificate.
- **Tally ERP 9 & GST Training Course** Certification, AICPE Institute, 30-11-2021

SKILLS

- Comprehensive understanding of dairy processing techniques, including pasteurization, homogenization, and separation.
- Proficient in conducting various tests and analyses to assess dairy product quality, such as fat content, protein content, pH levels, and microbial testing.
- Familiarity with food safety regulations and principles, ensuring compliance with industry standards.
- Knowledge of dairy product packaging and storage requirements to maintain product freshness and extend shelf life.
- Proficient in using laboratory equipment and software for data analysis and reporting.
- Strong attention to detail and ability to maintain accurate records.
- Excellent communication skills, both verbal and written, to effectively convey technical information.
- Ability to work collaboratively in a team environment and adapt to changing priorities.
- **Tally Accounting Software:** Proficient in using Tally for bookkeeping, invoicing, and financial reporting.
- **GST Compliance:** In-depth knowledge of Goods and Services Tax regulations.

ACHIEVEMENTS

- Participated in university level sports competitions: **badminton and volleyball**.
- Participated in **Narva Garwa Ghurwa Bari Yojana** Model competition.
- Participated in national level online quiz on **animal husbandry & dairy science**.
- Participated in the online training programme on "**functional fermented dairy foods for management of health and disease**".

ADDITIONAL INFORMATION

- Fluent in English and Hindi
- Strong analytical and problem-solving skills
- Proactive and self-motivated
- Excellent time management and organizational abilities
