

EDUCATION

Year	Degree/Exam	Institute	CGPA/Marks
2025	M.TECH	IIT Kharagpur	9.07 / 10
2023	B.TECH (Agricultural Engineering)	University of Agricultural Sciences, GKV, Bengaluru	8.846 / 10
2019	Pre-University Course (Class XII)	Department of Pre-University Education, Karnataka	96%
2017	Secondary School Leaving Certificate (Class X)	Karnataka Secondary School Education Examination Board	96%

PROJECTS

- M.Tech Project | Development of Whole Wheat Bread by Using Combined Ohmic - Infrared Heating Oven** [Aug 2024 - Present]
- Investigated the potential of **ohmic heating** and **infrared heating** for baking of bread, focusing on the **application of novel baking techniques** and evaluating the impact of baking parameters on the product quality.
 - Developed the whole wheat bread** by using the hybrid baking system incorporating both ohmic and infrared heating methods in baking.
 - Analyzed the overall quality of the bread and **optimized the baking parameters** for enhanced product quality and consumer acceptance.
- B.Tech Project | Design of Soil and Water Conservative Structures in a Micro-Watershed** [Feb 2023 - May 2023]
- Determination of daily, monthly and annual rainfall depth** of the micro-watershed for 10 years from 2013-2022 and **estimation of runoff** generated from the micro-watershed by compiling meteorological data using microsoft excel.
 - Planning and design** of water harvesting and soil conservation structures for the sustainable agriculture and watershed management.

INTERNSHIPS

- Sid's Farm Pvt Ltd, Hyderabad | Production Intern** [May 2024 - July 2024]
- Accomplished an in-depth study to **optimize the cold supply chain** of raw milk to improve efficiency & quality during storage and transit.
 - Developed **data-driven production plan** for seamless operation by aligning market trends, raw material availability & processing aids.
 - Addressed complex challenges by **designing preventive protocols** and risk mitigation strategies to uphold the food safety standards.
 - Contributed to the **development of new products, byproduct utilization and value addition** and to modify the **SOPs** that elevated product quality, and **reduced operational bottlenecks**.

TRAINING

- Global Initiative of Academic Networks (GIAN) Course | IIT Kharagpur** [Dec 2024]
- Dived into a comprehensive learning on **Characterization of Agricultural Particulate Materials for Effective Handling and Processing**.
 - Hands-on laboratory training in advanced material characterization and analytical techniques, including **XRD, DSC and rheometry**.
- Food Packaging and Instrumentation Laboratory | IIT Kharagpur** [Aug 2024]
- Gained insights from the workshop on **Sustainable Packaging Solutions for Food and Agricultural Applications**, about the recent advancements in the application of nanotechnology and development of **biodegradable and sustainable** packaging materials.
- Division of Post Harvest Technology and Agricultural Engineering | Indian Institute of Horticultural Research Bangalore** [Nov 2021]
- Practical exposure to **design and operation** of various **food plant equipments and machineries** like dryers, packaging machines, ovens, pasteurizer, bottle and cup sealing machines and Form-Fill-Seal machines | **Design and fabrication of hand tool** for jack fruit harvesting.

POSITIONS OF RESPONSIBILITY

- Head of Cultural and Organizing Committee | College of Agricultural Engineering GKV, Bangalore** [Mar 2022 - Feb 2023]
- Led** the team by **overseeing** and **coordinating** among the group members to ensure **efficient preparation** and **smooth organization** of the cultural celebrations and the official events in the campus.

CERTIFICATIONS

HACCP: Food Safety & Quality Management | ISO 22000: Food Safety Management System | Six Sigma Green Belt | Supply Chain Operations

AWARDS AND ACHIEVEMENTS

- Secured **All India Rank 59** in Graduate Aptitude Test in Engineering in Agricultural Engineering (**GATE 2023**) conducted by IIT Kanpur.

SKILLS AND EXPERTISE

Software: Solidworks | SPSS | Design Expert | ImageJ | OriginPro | Power BI | MS Office **Technical Competencies:** NPD | Production Planning | HACCP | QA/QC | Food Analysis **Soft Skills:** Leadership | Team work | Decision making | Communication | Training People

COURSEWORK INFORMATION

Core: Food Process and Product Technology | Food Chemistry and Microbiology | Food Engineering Laboratory | Food Analysis Laboratory | Advanced Mechanical & Thermal Operations | Food Plant & Equipment Design | Grain Storage Principles & Structures | Cooling Technology
Others: Total Quality Management and Six Sigma | Financial Technology for Rural and Agribusiness Development

EXTRA CURRICULAR ACTIVITIES

Rural Agricultural Work Experience Programme (RAWEP) Volunteer Cum Team Leader | Active Volunteer of National Service Scheme (NSS) | Volunteer in 107th Indian Science Congress-2020 held at GKV, Bangalore
