Objective

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

Professional Experience

•Trainee | Santkrupa Milk and Milk Products,Satara[Dec 2023 – Jan 2024]

Completed rotational training across milk reception, pasteurization, homogenization, and packaging lines.

Assisted in routine QC checks[fat, SNF, pH] and ensured hygiene as per FSSAI and ISO standards.

Supported production of paneer, ghee and curd while documenting process parameters.

Monitored cold-chain logistics for dispatch of finished dairy products.

•Trainee | Green Valley Food Processors Pvt. Ltd., Patan (Jan 2023)

Observed milk procurement, chilling, standardisation and ghee/curd production.

Conducted basic QA tests (SNF, fat) and reviewed GMP compliance.

Collaborated with supervisors to understand operational inventory handling.

•Trainee | Mala' Fruit Products Pvt. Ltd., Panchgani (Dec 2021)

Shadowed processing of jams, fruit crushes and toppings through washing, pulping & bottling.

Evaluated raw material quality and verified CCPs under FSSAI guidelines.

Learnt labelling, packaging and warehousing for shelf-stable fruit products.
