

CAREER OBJECTIVE

Adept at process optimization and leadership, I spearheaded significant production efficiency improvements at Camlin Fine Science Pvt Ltd. Leveraging skills in MEP, project management, and a positive attitude, I enhanced cross-functional team productivity and innovation. My expertise in technical support and team leadership drove successful project outcomes, demonstrating a commitment to excellence and strategic manufacturing growth.

TECHNICAL SKILLS

- MEP
- Production planning
- Process optimization
- Data analysis
- Root cause analysis
- Documentation management
- Team leadership
- Technical support
- Project management
- Time management
- Vendor coordination
- Effective communication
- Process integration
- Scheduling expertise
- Strategic manufacturing
- Labor management
- Process development
- Production data review
- Daily production execution
- C
- C++
- AutoCAD
- Solid Works
- MS OFFICE
- Positive attitude
- Optimistic
- Hardworking
- Teamwork
- Enthusiastic
- Ability to handle pressure
- Leadership

WORK EXPERIENCE

ASSISTANT MANAGER - OPERATIONS | 04/2025 to Current **HERBAL SUPPLEMENTS PRIVATE LIMITED - COIMBATHORE**

- Reviewed customer feedback to determine if changes are necessary in order to improve product quality or customer satisfaction levels.
- Documented activities to meet company and regulatory requirements.
- Coordinated with suppliers to ensure timely delivery of materials and components.
- Mitigated production issue risks by identifying potential problems and taking effective action.
- Analyzed production processes to identify areas for improvement in efficiency and cost savings.
- Maintained top-notch quality control standards and eliminated downtime to maximize revenue.
- Assisted in troubleshooting mechanical problems related to machinery used in the manufacturing process.
- Authored and updated production reports and personnel records to facilitate operational decisions.
- Trained new employees on proper use of equipment, safety procedures, and job functions.
- Monitored the daily operations of the production team, providing guidance and support as needed.
- Established clear communication channels between management and staff members.
- Reviewed individual employee performance to correct issues and enhance productivity.
- Managed materials to meet production goals and specific customer demands.

PRODUCTION ENGINEER | 09/2022 to 12/2024
CAMLIN FINE SCIENCE PVT LTD

- Facilitated cross-functional team meetings to align production objectives with business goals.
- Evaluated forecasts to make proactive adjustments to production plans.
- Monitored production processes and adjusted schedules.
- Oversaw production process and prepared proper documentation for dispatch.
- Performed root cause analysis on production issues, developed corrective actions, and monitored results.
- Created detailed reports on production performance and made recommendations for process changes.
- Maintained accurate records of all activities related to production engineering.
- Mentored new engineering and production team members.
- Coordinated with vendor representatives to organize schedules, review specifications and meet quality goals.
- Developed and implemented process improvements to increase production efficiency.
- Maintained all machines and equipment and handled the repairs.
- Provided technical support to internal departments such as Quality Assurance, Research and Development.

TECHNICAL CONSULTANT (ROSEMARY PROJECT) | 02/2022 to 09/2022
CAMLIN FINE SCIENCE PVT LTD

- Contributed ideas and suggestions regarding potential new areas of inquiry based on current trends in the field.
- Presented experimental findings in presentations with graphs, charts and other visual aids.
- Maintained a database of all research activities conducted during the course of each project.
- Operated a variety of machinery and tools safely and efficiently.
- Demonstrated strong problem-solving skills, resolving issues efficiently and effectively.
- Led cross-functional teams in the development of new products or processes from concept through commercialization stages.

PLANT EXECUTIVE (R & D - PRODUCTION) | 11/2018 to 12/2021
KANCOR INGREDIENTS LTD

- ROSEMARY, TURMERIC, BROWN SUGAR, CHLOROPHYLL, SEASONING etc.
- Collaborated with engineering teams on projects related to process improvement initiatives.
- Monitored and observed experiments to assess progress, compile data and record findings.
- Executed product development and implemented new methods.
- Evaluated existing processes for potential improvements or modifications.
- Maintained lab equipment and troubleshoot instrument problems.
- Monitored operations of pilot plant equipment to ensure efficiency and accuracy of processes.
- Maintained accurate records of process and product data to ensure compliance with safety regulations.
- Maintained records of process changes over time, documenting any deviations from established standards.
- Performed consistently with all quality objectives, including planning, control and optimization strategies.
- Coordinated with other departments to ensure smooth workflow across the organization.
- Provided leadership and direction to teams on projects related to process standardization initiatives.
- Collaborated with management team members to review progress against established goals and objectives.

ACADEMIC QUALIFICATIONS

SACRED HEARTS - Thevara POST GRADUATE DIPLOMA

OPERATIONS MANAGEMENT, 01/2021

SREE NARAYANA MANGALAM INSTITUTE OF MANAGEMENT AND TECHNOLOGY - Maliankara

B-TECH

MECHANICAL ENGINEERING, 01/2018

GPA: 64 %

ST JOSEPHS'S HIGHER SECONDARY SCHOOL - Koonamavu 12th

01/2014

GPA: 78 %

HOLY INDIA FOUNDATION SCHOOL - NORTH PARAVOOR 10th

01/2012

GPA: 78 %

HOBBIES AND INTERESTS

- MUSIC & MUSICAL INSTRUMENTS
- DRAWING
- AUTOMOTIVES
- SPORTS

PROJECTS

DOMESTIC AND RACING PURPOSE GO-KART

SEMINAR

AMPHIBIOUS VEHICLE

PROFESSIONAL HIGHLIGHTS

- Student coordinator of National Level Techfest (GURUTWA2K17), held at SNMIMT Engineering College
- Coordinator of Blood donation camp by IMA held under NSS UNIT (SNMIMT College)
