PROFESSIONAL SUMMARY

Detail-oriented Food Technologist with expertise in quality control, food safety, regulatory compliance, and auditing. Proficient in HACCP, FSMS, QMS, GMP, GDP, and FSSC 22000 V6.0, with hands-on experience in food traceability, audits, raw material and finished product testing, and ISO documentation. Strong ability to identify quality gaps, implement corrective actions, and ensure compliance with food safety standards. Passionate about maintaining high industry standards and contributing to large-scale food safety initiatives.

EDUCATION

- **Master of Science in Food Science and Technology - CGPA 9.07** **2022-2024**
Maulana Abul Kalam University of Technology
 - Specialized in food processing, dairy technology, sensory evaluation, and microbiological testing.
- **Bachelor of Science in Food and Nutrition - CGPA 9.23** **2019-2022**
Sarada Ma Girls' College (WBSU)

WORK EXPERIENCE

Quality Assurance Intern, Devyani Food Industries Limited (Creambell) January 2024 - February 2024

- Conducted raw material (RM) and finished product (FP) testing to ensure compliance with ISO, HACCP, and FSMS standards. Performed laboratory testing including fat content, moisture level, and brix analysis, ensuring accurate data recording and reporting.
- Assisted in preparing for the Annual AIB Audit, ensuring facility readiness and adherence to safety protocols.
- Maintained quality control documentation and collaborated with plant teams on corrective actions.

KEY PROJECTS

1. Developed **BEETROOT AND ALOE VERA FORTIFIED GUAVA GRAPE AND DRAGON FRUIT LEATHER** to enhance nutritional value & shelf-life.
2. Formulated **OATS RAVA DHOKLA** using yeast for enhanced nutritional value.
3. Presented **SOLUTIONS TO BAKERY INDUSTRY PROBLEMS** and conducted **TECHNICAL RESEARCH ON MILK EVAPORATION** proposing cost-effective solutions.

CERTIFICATIONS

- Completed **HACCP AND FSMS TRAINING PROGRAM** conducted by FoodYaari Education & Media Pvt. Ltd.
- Completed **FSSC 22000 V6.0 AWARENESS PROGRAM** conducted by FoodYaari Education & Media Pvt. Ltd.
- Completed **ISO 22000:2018 AWARENESS PROGRAM** conducted by FoodYaari Education & Media Pvt. Ltd.
- Participated in the workshop on "**PACKAGING PRINCIPLES: UNFOLDING OPPORTUNITIES FOR CAREER & BEYOND**", organized by the Indian Institute of Packaging, Kolkata Centre.
- Completed training program on "**MILK AND MILK PRODUCT ANALYSIS**" conducted by NAHEP
- Attended National Workshop on "**ENHANCING THE FUNCTIONALITY OF DAIRY FOOD THROUGH FORTIFICATION: QUALITY AND CHALLENGES**" conducted by NAHEP

SKILLS - Technical Skills

- Quality Assurance & Compliance | HACCP | FSMS | GMP | GDP | FSSC 22000 V6.0
- Food Safety Audits | Internal Audits | Material Analysis | Lab Testing
- Research & Product Development | Food Packaging & Preservation | Documentation & Regulatory
- Microbiological Testing | Sensory Evaluation | Food Hygiene & Safety Monitoring

- Soft Skills

- Problem-Solving | Attention to Detail | Team Collaboration
- Time Management | Effective Communication | Multilingual (English, Hindi, Bengali)

AWARDS/ACTIVITIES

Represented university at the **5th Regional Science and Technology Congress, 2023**

- **Presented paper on "Post Harvest Losses of Fruits and Vegetables"**

Awarded Outstanding Paper
