

HARITHA SHREE J.P

FOOD SCIENCE
POSTGRADUATE

Highly motivated and detail-oriented food technologist with a Master's degree in Food Chemistry and Processing. Skilled in food formulation, processing, and quality control, with a strong foundation in food chemistry, microbiology, and safety. Proven ability to work effectively in team environments, with excellent communication and problem-solving skills. Seeking a challenging role in the food industry, where I can apply my knowledge and skills to ensure the development and production of safe, high-quality food products.
