WORK EXPERIENCE

Internship Ella Foods PVT.LTD

2023,

Malur, Karnataka

Ella foods is a food manufacturing company where variety of food products are produced like cryogenically grounded spices, low sodium pickles and many more. During my internship at Ella Foods, I had the opportunity to immerse myself in various departments, including production, NPD, engineering, and warehouse operations. In each area, I gained valuable insights and hands-on experience. Throughout my tenure, I successfully executed several projects and presentations, enhancing operational efficiency and expanding my industry knowledge.

Achievements/Tasks

- ▣ NPD for Caramelized makhana
- ▣ Plant layout for Mango processing Plant (Extension of Plant)
- ▣ Worked on the shelf life of Nuts.

Internship Mahananda Dairy

Mahananda dairy is an apex federation of district where variety of milk products are manufactured. Interned for 1 month at Mahananda Dairy, primarily focused on production and laboratory operations. Responsible for conducting tests on incoming milk batches and ensuring quality standards. Additionally, gained experience in the packaging department, contributing to various aspects of dairy production and quality assurance.

CERTIFICATES

- ▣ Food Safety Supervisor certificate of competence in Advance Management & COVID
- ▣ ISO22000:2018 Internal Auditing
- ▣ Coursera Certificates- Introduction to Sensory Science & Food and beverage Management

PERSONAL PROJECTS

- ▣ Project on NPD of Peel Kombucha
- ▣ NPD on carbonated kokum beverage
- ▣ Shelf-life study on packaged fruit juice
- ▣ Hands on training final year project on Millet Crisps.

ACHIEVEMENTS

- ▣ New product Development of Caramelized Makhana at Ella Foods.
Crafted caramelized makhana with maintained color and texture, utilizing precise temperature control during caramelization. Retained original crunchiness post-roasting while avoiding puffiness, ensuring quality and visual appeal. (Received Letter of Appreciation for the same)
