My work entails Personnel Management, Operations Planning, Plant Management, Logistics and Administration with P&L ownership as per defined structure.

OPERATIONS AND ADMINISTRATIVE RESPONSIBILITY

- ☐ Managed a large labor force of over 1600 employees, ensuring timely and efficient completion of projects and tasks. Was also responsible for managing a team of 54 Staff Members and 5 Executives under my charge.
- ☐ Coordinated and implemented operational processes and procedures to improve efficiency, reduce costs, and increase productivity.
- ☐ Developed and maintained strong relationships with government agencies, contractors, and stakeholders to ensure compliance with regulations and requirements.
- ☐ Provide strategic guidance and support to senior management on all operational matters that include budget planning, resource allocation, and risk management.

- ❑ Plan, supervise, coordinate and implement Operational Processes and Procedures to improve efficiency, reduce cost and increase productivity.
- ❑ Strong leadership and management skills - experience in managing large teams and multiple projects simultaneously.
- ❑ Strong analytical and problem-solving skills - with ability to identify and resolve operational issues quickly and effectively.

GOVERNMENT LIAISON

- ❑ Successfully negotiated and managed complex agreements with government agencies (PCB, CGWA, NHM, NRHM) ensuring compliance with regulations and achieving organizational objectives.
- ❑ Built and maintained strong relationships with government officials, ensuring open communication and collaboration to achieve mutual goals.
- ❑ Coordinated and facilitated government inspections, audits, and compliance activities to ensure organizational compliance with regulatory requirements.
- ❑ Ensure channels for negotiations with Labour & Staff Unions are always open for free and fare discussions.
- ❑ Excellent communication and interpersonal skills - ability to build strong relationships with Government Officials, Contractors, and Stakeholders.

FACILITY MANAGEMENT

- ❑ Oversaw the management and upkeep of a 450.00 Ha Estate & 35000 Sq ft Production Unit. The estate housed 6 Bungalows, 54 Staff Quarters and 420 Labour Houses.
- ❑ Coordinated maintenance and repairs of facilities, ensuring prompt resolution of issues and minimizing downtime.
- Managed budgets for facilities maintenance, repairs, and renovations, ensuring cost-effective solutions that met organizational needs. Manage a team of contractors - To ensure that regular site visits are carried out, estimates for repairs are prepared by contractors, after necessary corrections and verification of rates; Contracts are prepared and work orders issued.
- To ensure proper Delegation of duties to maintenance teams on a day to day basis.
- ❑ Liaise between various maintenance teams to ensure all buildings and services provided by the company
