

Shivani Jamunkar

M. Tech (Dairy Microbiology)

To pursue in an industry with performance-oriented environment for achievement of personal advancement as well as for the growth and development of industry. Being ambitious and hardworking, I am looking forward to challenging my potential and be worthy of management trust and confidence.

Research Highlights

The study focused on evaluating the anti-microbial properties of lemongrass essential oil and CO₂ micro nano bubbles alone and also in combination against biofilm forming pathogens in broth medium as well as on stainless steel chip

Training and Work History

2023-11 – Present	New Product Development QA Trainee <i>Jubilant FoodWorks Ltd., Noida, Delhi</i> - Development of product specifications comprising recipes, packaging, nutrition, and shelf life, ensuring that all products met or exceeded with regulatory compliance requirements. - Work on Project "Medium Fat Paneer". - Conduct sensory and benchmarking of the products.
25.01.2021–25.06.2021	Indapur dairy and milk products Pvt limited Gokhali, Indapur dist. Pune - Production of milk products like Butter, Ghee, Dahi, Lassi, Shrikhand, Flavoured Milk, Pedha, Milk Powder, Sweetened Condensed Milk. - Chemical testing and microbial testing of milk and milk products like total plate count, coliform, yeast & mold.
10.07.2019–10.08.2019	Students Training Dairy Plant, Pusad (a unit of CDTW, PUSAD) Procurement of milk, Production of TIDP products.

10.07.2018 –
10.08.2018

Valsad District Co-Operative Milk Producers Union Ltd.
Umarkhed Milk Chilling Centre

- Procurement of Milk

Education

2017 - 2021

Bachelor of Technology: Dairy Technology
College of Dairy Technology – Pusad
OGPA – 7.2

2021 - 2023

Master of Technology: Dairy Microbiology
College of Dairy Science and Technology – Ludhiana

- Worked on the research topic “Effect of lemon grass essential oil and micro nanobubbles on biofilm forming pathogens”.

OGPA – 8.04

Additional Information

- Published 1 research articles in Indian Journal of Dairy Science – Evaluation of antimicrobial effect of lemon grass essential oil on biofilm forming pathogens in broth medium and on stainless steel chip
- Cleared National Talent Scholarship conducted ICAR.

Certifications

- ICAR NTS scholarship
- Internal Auditor Training on FSSC 22000 4.1
- First prize in folk dance at Reverie NDRI, Karnal
- Second prize in western dance at Reverie NDRI, Karnal
