EXPERIENCE

Lab Works East Africa Limited, Nairobi- Microbiology Specialist

January 2024-Present

- Microbiological testing in foods, water and dairy products for various pathogens i.e *Salmonella*, *Shigella*, *Staphylococcus aureus*, Yeast & Moulds, *Enterobacteriaceae*, *Listeria monocytogens*, *Pseudomonas aeruginosa*, *Clostridium perfringens*, *E.coli*, *Bacillus cereus*, Total Viable Counts, Coliforms, Legionella, Total Aflatoxin, Hygiene monitoring, Microbial air quality monitoring.
- Conducting microbiological tests on drinking water, wastewater and sludge samples to analyze findings.
- Collection of field samples for analysis and conducting thorough microbial tests.
- Interpretation of research findings, summarizing data into comprehensive reports.

Analabs Limited, Nairobi — Food Microbiology Analyst

January 2023- January 2024

- Microbial contamination testing in foods, water and dairy products for various pathogens i.e *Salmonella*, *Shigella*, *Staphylococcus aureus*, Yeast & Moulds, *Enterobacteriaceae*, *Listeria monocytogens*, *Pseudomonas aeruginosa*, *Clostridium perfringens*, *E.coli*, *Bacillus cereus*, Total Viable Counts, Coliforms, Total Aflatoxin, Hygiene monitoring, Microbial air quality monitoring.
- Conducted microbiological tests on drinking water, wastewater and sludge samples to analyze findings.
- Maintained bio-repository for all specimens collected, complying with health and safety standards.
- Completed laboratory-based research focused on Microbiology.
- Collected field samples, processed for analysis and conducted thorough microbial tests.
- Interpreted research findings, summarizing data into comprehensive reports.

CORE QUALIFICATIONS/SKILLS

- Food Quality assurance, testing & analysis.
- ISO 17025 Competent
- Method validation & Measurement of Uncertainty.
- Good laboratory practice.
- Microscopy.
- Media preparation.
- Sterilization.
- Sample collection.
- Accuracy & close attention to detail.
- Excellent problem solving skills.
- Proven leadership skills.
- Microbiological techniques.
- Food hygiene enforcement
- Food inspection.
- Efficient multitasking.
- Excellent communication skills.
- Computer proficiency.
- Sample analysis.
- Lab general administration.
- Lab management.
- Laboratory equipment maintenance.
- Driving (Class B) Vehicle category.

EDUCATION

University of Nairobi, Nairobi — BSc. Microbiology & Biotechnology

September 2018 - September 2022

Award: Second Class Honors Upper Division

Maseno School, Kisumu — Kenya Certificate of Secondary Education

February 2013 - November 2017

Grade: B+

St. Joseph's Combined Academy, Oyugis- Kenya Certificate of Primary Education

Grade: 401 Marks

AWARDS

Certificate of Excellence in Quality & Compliance-Lab Works E.A Ltd. (2024)

Certificate of Service-Pilgrims Ministry Chairperson;University of

Nairobi Seventh-Day Adventist Church (2020 & 2021)

Certificate of Academic Excellence -Maseno School (2014,2015,2016)

REFEREES

1. Mr. Meshack Mwangi

Quality Manager- Lab Works East Africa Limited

Tel. no: 0717140821

Email: meshack@labworksea.com

2. Mrs. Nelly Imbayi

Head of Department and Senior

Analyst Food & Dairy Hygiene

Laboratory-Analabs Limited.

Tel no: 0721220972

Email: nimbayi@analabs.co.ke
