EXPERTISE

- Quality Assurance and Testing
- Market Research
- Recipe Formulation
- Collaborative Problem-Solving
- Critical Thinking

EXPERIENCE

True Elements, Hinjewadi Pune June 2023-July 2023

- Evaluated raw materials for rancidity, acid value (AV), and peroxide value (PV) to enhance shelf life, reducing spoilage.
- Conducted tests such as bursting strength and tensile strength on packaging materials to ensure compliance with food safety standards, lowering packaging.
- Supported managers during Marico audits to ensure smooth operations.
- Managed a streamlined documentation system for test records, improving accessibility and efficiency.

Bauli India Bakes & Sweets Pvt Ltd Feb 2021-Mar 2021 Baramati, Pune

- Worked with team to solve problems and make production more efficient.
- Collaborated with cross-functional teams including quality assurance, maintenance, and supply chain to address production challenges and optimize processes.
- Maintained accurate production records and reports to track performance metrics and facilitate data-driven decision-making.
