Summary

Dynamic microbiologist with proven expertise at Aabad Dairy pvt ltd and Fair Export Private Limited, specializing in microorganism isolation and quality control. Skilled in microbiological methods and committed to continuous learning, I effectively monitored critical control points to enhance safety standards, ensuring compliance with HACCP and ISO protocols while fostering teamwork and integrity in all practices.

Skills

- Microbiological methods
- Microorganism isolation
- Streaking and spreading techniques
- Autoclave operation
- Incubator usage
- Centrifuge handling
- Spectrophotometry
- Shaker incubator management
- Blood sample collection and testing
- Liver and lipid profiles
- Complete blood count (CBC)
- Microsoft Office proficiency
- Google Docs expertise
- Flexibility in teamwork
- Integrity in practice
- Continuous learning

Experience

01/2025 - Current

QA Microbiologist, **Aabad Dairy PVT LTD**, Ahmedabad, Gujarat, IN

Performed microbiology analysis on raw milk, finished products, and water samples. Conducted environmental monitoring and swab sampling to ensure product safety. Ensured timely testing and accurate reporting to uphold product quality standards. Maintained and updated QA documentation, including SOPs, logs, and checklists. Ensured compliance with GMP and food safety protocols consistently.

- Participated in training sessions to enhance staff quality awareness.
- Reinforced quality standards through effective communication and collaboration with team members.

01/2023 - 12/2024

Microbiologist, **Fair Export Private Limited**, Malegaon, Maharashtra, India

- Isolation microorganisms from meat.
- Conducted pH testing and food microbiology assessments on various meat samples.
- Monitored critical control points and environmental conditions to ensure compliance.
- Performed hygiene checks within plant facilities to uphold sanitation standards.
- Prepared media and sterilized glassware for laboratory experiments.
- Managed documentation processes related to HACCP, FSMS, FSS, and ISO standards.
- Implemented personal hygiene protocols and verified cleaning procedures to maintain safety.
- Participate training sessions and help in quality awareness.

07/2022 - 10/2022

Research Intern, **Forest Research Institute**, Dehradun, Uttarakhand

- Conducted biochemical characterization and evaluation of antibiotics on Rhizobium species

under Dr. Vipin Parkash's guidance.

- Acquired skills in bacterial strain isolation, biochemical testing, and antibiotic sensitivity assessment.
- Performed ABSI antibiogram analysis to determine antibiotic efficacy.
- Utilized spectroscopy and microscopy techniques for advanced research.

11/2021 - 11/2021

Intern, **Central Research Institute**, Kasauli, Himachal Pradesh

- Acquired knowledge of industrial production processes for DPT vaccine.
- Learned bacterial revival techniques to ensure optimal culture growth.

06/2020 - 07/2020

Intern, **IIT Ropar**, Ropar, Punjab

- Company Overview: KARYA Programmed of Department of Science and Technology, Government of Rajasthan
- KARYA Programmed of Department of Science and Technology, Government of Rajasthan

Education And Training

M.Sc., Microbiology
University Of Kota, Kota

B.Sc., Life Science
University Of Kota, Kota

Intermediate
C.B.S.E. Board, India

High School
R.B.S.E. Board, India

Certifications

- FSSC 22000 Version 6
- ISO 22000 & ISO 19011:2018
- HACCP and ISO 22000:2018
- Food Safety and Standards 2016 & FSS 2018
- Food Safety system certification 22000 (FSSC 22000 Version 6)
- Successfully Completing HACCP online training as per ISO 22000: 2018
- Successfully completed online training of laboratory management system requirement by NABL accreditation Food Safety & Standard Regulation 2011
- Successfully Completed online training of Internal Auditor as per ISO 22000 & ISO 19011:2018
- Successfully Completed online training of Food Safety and Standards packing regulation 2018 labelling 2018 and organic food 2017 regulation
- Successfully completed online training of Food Safety Standards 2018
- PCR Training

Personal Information

- Father's Name: Mr. Shafeeq Hussain
- Date of Birth: 02/22/97
- Gender: Female
- Nationality: Indian

- Marital Status: Single
